## PART A GENERAL INFORMATION

### 1. ABOUT THIS PRODUCT DISCLOSURE STATEMENT

This document (comprising Part A and Part B) forms the Product Disclosure Statement (“PDS”) for your CoinJar Mastercard (the “Card”). The PDS contains important information, including the fees and other costs that apply to the Card.

This PDS is issued by EML Payment Solutions Limited ABN 30 131 436 532 (“EML”) as a requirement under the Corporations Act 2001.

This PDS is an important document designed to assist you in deciding whether to acquire the financial product to which it relates – the Card. You should read this PDS in full before using your Card.

Your contract with us for the Card is comprised of this PDS document incorporating the Terms and Conditions, which contains important information regarding your Card.

The information in this PDS does not consider your individual objectives, financial situation or needs. Any advice in this PDS is general advice only. You should consider the appropriateness of any general advice to your circumstances before acting on it.

### 2. GENERAL PRODUCT DESCRIPTION

Your Card is a prepaid, reloadable Mastercard. Your Card provides you with the means to purchase goods and services anywhere in the world where prepaid Mastercard cards are accepted, by using the digital currencies stored in your CoinJar Everyday Account.

When you transact using the Card, and once CoinJar approves the amount of the transaction (which would generally occur at the same time), an amount of the digital currency you nominate within your CoinJar Everyday Account will be redeemed into the equivalent Australian Dollar value. This amount is provided by CoinJar to EML and allocated to your Card to enable you to complete the transaction in Australian Dollars, inclusive of any fees (where applicable). You can only use the Card within the Spendable Balance and transaction limits listed in Section 15.8 of the Terms and Conditions in Part B.

### 3. STATEMENTS OF ACCOUNT

By successfully applying for and using the Card, you acknowledge that we do not provide, and you will not receive, paper statements. Electronic statements showing Card transactions are available for viewing on the Website and the App. Please contact CoinJar by visiting [coinjar.com/au/support](https://coinjar.com/au/support) or by emailing them at [support@coinjar.com](mailto:support@coinjar.com) if you require any assistance accessing electronic statements.

### 4. CHANGES TO THIS PDS

The information in this PDS is subject to change from time to time and is correct and current as at the date stated on the front cover.

Information regarding your Card may need to be updated from time to time. Any updated information that is not considered to be materially adverse to Cardholders will be made available on the Website. Alternatively, you may request a paper copy of any updated information free of charge from EML by phoning 1300 739

889. Any updated information that may be materially adverse to Cardholders will be included in a replacement or supplementary PDS.

The Card is not a credit or charge card and the Card Stored Value does not earn interest. **Your balance is not a bank deposit.**

## 5. PARTIES INVOLVED IN THE DISTRIBUTION OF THE CARD

**EML Payment Solutions Limited ABN 30 131 436 532** ("EML"), is the holder of Australian Financial Services License number 404131. Under its AFSL, EML is authorised to provide financial services including arranging for the issue of non-cash payment facilities to the Card.

**CoinJar Australia Pty Ltd ABN 75 648 570 807** ("CoinJar") is an authorised representative of EML (authorised representative number 1290193) and is authorised by EML to arrange for the issue of the Card and to provide general financial product advice. When providing financial services in relation to the Card, CoinJar acts on behalf of EML.

CoinJar can be contacted via:

Phone: 1300 264 652 between 9:00am to 5:00pm Melbourne time

Email: [support@coinjar.com](mailto:support@coinjar.com)

Website: [www.coinjar.com/au](http://www.coinjar.com/au)

## 6. CARD ISSUER

The Issuer of the Card is EML and if you acquire the Card, you will have a contract with EML.

EML is a principal member of Mastercard International Incorporated and the holder of Australian Financial Services Licence (AFSL) number 404131. Under its AFSL, EML is authorised to provide financial services including arranging for the issue of non-Cash payment facilities to the Card and to provide general financial product advice. When providing financial services in relation to the Card, EML acts on its own behalf.

EML can be contacted via:

Phone: 1300 739 889 between 8:30am to 5:00pm Queensland time

Email: [support@emlpayments.com.au](mailto:support@emlpayments.com.au)

Website: [www.emlpayments.com](http://www.emlpayments.com)

## 7. ROLES OF THE CARD DISTRIBUTOR AND ISSUER

CoinJar is responsible for the distribution of the Card and customer service support for Cardholders.

Funds provided to EML to operate the Card program are held in a client segregated monies account maintained by Australia and New Zealand Banking Group Limited ABN 11 005 357 522 (AFSL 234527) ("ANZ"). EML is responsible for the settlement of transactions using the Card but may outsource these functions to other service providers. EML holds the funds for the settlement of transactions on trust for you and the CoinJar Group, in accordance with this PDS and the Terms and Conditions. You acknowledge that the Spendable Balance can be used to meet our settlement obligations in respect of your transactions and to provide security for our settlement obligations.

Neither CoinJar, nor anyone else acting on its behalf, has the authority on behalf of EML to:

- tell you anything about the Card that is inconsistent with the information in this PDS;
- give you personal financial product advice (that is, a recommendation or statement of opinion intended or that could be reasonably regarded as being intended to influence you in making a decision and where one or more of your objectives, financial situation and needs has been considered) about the Card; and
- do anything else on EML's behalf, other than marketing, arranging for the issue of and providing customer services for the Card.

## 8. WHO IS ELIGIBLE FOR THE CARD?

To be eligible for the Card you must be:

- 18 years of age or older;
- an Australian resident; and
- a customer with a verified CoinJar account.

## 9. SIGNIFICANT BENEFITS TO CARDHOLDERS

The significant benefits of the Card are as follows:

- The Card is a prepaid, reloadable Mastercard card which means that it can be used to pay for goods and services from merchants in Australia and around the world who accept Mastercard prepaid cards, including online purchase transactions;
- The Card is used to access the Spendable Balance in your CoinJar Everyday Account to purchase goods and services in a seamless and instantaneous way.
- The Card can be used to make Contactless Transaction for transactions under \$100 (or any higher amount, where allowed by the Scheme). Simply place your Card near or on the EFTPOS Device. Before authorising a Contactless Transaction, you must ensure that the correct amount is displayed on the EFTPOS Device prior to completing the Contactless Transaction;
- The Card can be added to a Device Wallet as a Tokenised Card, enabling you to use your Device as a payment method linked to the Card;
- You can use the Tokenised Card to make simple and secure payments using your Device, even before your Physical Card arrives;
- The Card is reloadable, which means that amounts redeemed from your CoinJar Everyday Account can be provided to EML and allocated to your Card within the applicable limits set out in 15.8; and
- you can access only the value allocated to the Card. It is not a Credit Card.

## 10. SIGNIFICANT RISKS TO CARDHOLDERS

Some of the risks that may be associated with the use of the Card are outlined below. The risks described are intended to be a summary of the major risks associated with the Card and are not exhaustive. There may be other risks that relate to the use of your Card.

Significant risks to cardholders are:

- the ability to transact with the Card is ultimately dependent on the redeemed amount from your CoinJar Everyday Account being transferred to EML. Accordingly, if the CoinJar Group becomes insolvent or if there is otherwise a delay in the transfer of your redeemed amount, there is a risk you may not be able to transact using the Card;
- when you use the Card for a transaction, the digital currency in your CoinJar Everyday Account will be redeemed into Australian Dollars by the CoinJar Group at the sell price for that digital currency at the time of the purchase or pre-authorisation (as applicable). As such, the sale of the digital currency is subject to market fluctuations and you may be subject to variations in the value of the digital currency as against the Australian Dollar at the time of each transaction.
- the Card will expire at the date shown on the back of the Card. You cannot use an expired Card to access any Spendable Balance until a replacement Card is provided to you;
- Unauthorised Transactions can happen using the card if the Physical Card or Device is lost or stolen, a PIN is revealed to any other person, or because of fraud;
- Unintended transactions may occur if you have multiple cards added to your Device Wallet and you inadvertently use the Card for purchases;
- incorrect amounts may be charged if you do not confirm the correct transaction amount before authorising a Contactless Transaction;
- unintended transactions can happen if electronic equipment with which the Card is being used is operated incorrectly or incorrect details are input;
- you might not be able to get your money back if Unauthorised Transactions or unintended transactions occur;
- if the electronic network enabling the use of the Card is unavailable, you may not be able to undertake transactions or get information using the Card;
- your Card or Device could be lost, destroyed or stolen;
- the Financial Claims Scheme does not apply in relation to the Card or your Spendable Balance.

## 11. IMPORTANT INFORMATION ABOUT THE FINANCIAL CLAIMS SCHEME

The Financial Claims Scheme is a scheme administered by the Australian Prudential Regulation Authority (APRA) to protect depositors of authorised deposit-taking institutions from potential loss due to the failure of these institutions. It provides depositors with a guaranteed protection, up to a cap. As at the date of this PDS, the Financial Claims Scheme applies to deposits only. It does not extend to prepaid card products (including the Card).

**The Financial Claims Scheme does not protect any Spendable Balance held on your Card.**

For more information, see APRA's website at <https://www.fcs.gov.au/>

## 12. YOUR TAX LIABILITY

You should get your own independent tax advice in relation to the impact your use of the Card may have on your personal tax liability as EML has not considered your individual circumstances or needs when arranging for the distribution of your Card.

## 13. OTHER IMPORTANT INFORMATION

There are some other important things you need to be aware of about the Card:

- it does not generate any interest or other return to the holder. In other words, you do not earn interest on the value allocated to the Card;
- your Spendable Balance in your CoinJar Everyday Account will be immediately available for use by you at the point you use the Card for in-person transactions and card not present transactions;
- press the Credit button at point of sale terminals and ATM's to transact on the Card and access the Spendable Balance in your CoinJar Everyday Account; and
- the method of communication EML will use to give you information, including information under the ePayments Code, will be Electronic Communication.

## 14. PROBLEMS OR DISPUTES

When you provide feedback to us, we have the opportunity to improve our services to you. If you have a query about the Card or transactions made with your Card, you should initially direct the query to CoinJar.

CoinJar can be contacted via:

Phone: 1300 264 652 between 9:00am to 5:00pm Melbourne time

Email: [support@coinjar.com](mailto:support@coinjar.com)

Website: [www.coinjar.com/au](http://www.coinjar.com/au)

If you are unable to resolve your issue with CoinJar directly within 14 days of your complaint, you can escalate your enquiry to EML. EML will aim to resolve the matter on your initial contact. However, if the matter cannot be resolved immediately, we will commit to taking the following steps:

- letting you know who is handling your complaint;
- keeping you informed of what is happening; and
- aiming to resolve your complaint within 30 days of the date of when you originally raised the issue.

Once your complaint is resolved, we will check with you to make sure you are satisfied with how your complaint was handled.

Where your Card is used for Unauthorised Transactions, we will seek to reverse the transaction if we can under the Mastercard Scheme Rules using what is called a 'chargeback right'. Your ability to dispute or reverse an Unauthorised Transaction may be lost if you do not notify us as soon as possible and it is your responsibility to regularly review your online transaction history to identify Unauthorised Transactions. Under these Terms and Conditions, we may not be responsible for any loss to you if you do not dispute an Unauthorised Transaction within the timeframe stipulated in the Mastercard Scheme Rules.

If your complaint is not resolved to your satisfaction within 30 days of when you originally raised your complaint, or you are not satisfied with our response to your complaint, you may be eligible to escalate the complaint to EML's external dispute resolution service, the Australian Financial Complaints Authority (AFCA). AFCA provides fair and independent financial services complaint resolution that is free to consumers. AFCA can be contacted at the following:

Mail: GPO Box 3, Melbourne VIC 3001;

Phone: 1800 931 678 (free call)

Website: [www.afca.org.au](http://www.afca.org.au)

Email: [info@afca.org.au](mailto:info@afca.org.au)

**Please note that you should contact CoinJar with any problems or disputes you have regarding your CoinJar Everyday Account and any digital asset transactions on that account. EML is not involved with, nor is responsible for, the provision and operation of the CoinJar Everyday Account.**

### 15.1. DEFINITIONS

A Tokenised Card can be used for Contactless Transactions as well as card not present transactions, including online purchases.

**Unauthorised Transaction** means a transaction not authorised by you but does not include any transaction carried out by you or by anyone performing the transaction with your knowledge and consent.

**we, us, our** means EML and, except where the context indicates a different intention, also includes any agent acting on behalf of EML

**Website** means the secured web site for the Card shown on the PIN Mailer and any additional or replacement website we notify you as the website for the purposes of these Terms & Conditions from time to time.

**You** refers to a person who has opted in for and been (or is to be) issued with the Card. Any other grammatical form of the word “you” has a corresponding meaning.

---

## 15.2. OVERVIEW

These Terms and Conditions govern the use of the Card. Please read them carefully and keep a copy for your records. By signing the back of the Card, loading the Card to your Device Wallet or using the Card, you agree to be bound by these Terms & Conditions. You also acknowledge and agree to the disclosures and other information contained in the Product Disclosure Statement. Those disclosures and information form part of the agreement between you and EML except to the extent that these Terms and Conditions provide otherwise or qualify the disclosures and information.

---

## 15.3. THE CARD

- the Card is a prepaid, reloadable Mastercard card and you must ensure, through the Website or App, that there is a Spendable Balance before it can be used;

- the Card allows purchases to be made wherever Mastercard cards are honoured for electronic transactions if a sufficient Spendable Balance exists for the amount of the transaction.
- you can use the Physical Card to withdraw cash at ATM's;
- the Card is not a Credit Card;
- the Card is not a facility by which EML takes deposits from you;
- if you permit someone else to make a purchase with the Card, including by using your Device, you will be responsible for any transactions initiated by that person with the Card;
- there is no interest payable to you on the credit balance on the Card; and
- the Card remains the property of EML and you must surrender the Card to us if we ask for it to be surrendered.

---

#### 15.4. USING THE CARD

- you must register as the cardholder of the Card via the Website or App by following the prompts;
- after registration, you can activate your Physical Card via the Website or App and it will be ready for use;
- You can purchase goods and services using your Card and the payment is debited against your Spendable Balance. The Card allows you to purchase goods and services:
  - at an outlet within Australia that has EFTPOS available by either:
    - selecting the 'credit' button wherever Mastercard cards are accepted; or
    - making a Contactless Transaction.
  - over the telephone or the internet by providing the PAN, expiry date and security code; or
  - at outlets overseas wherever Mastercard cards is accepted.
- When you are paying for goods and services by selecting the 'credit' button at a Point of Sale terminal or providing the Card number to a merchant over the telephone or the Internet, you'll be covered by Mastercard's Zero Liability Protection Policy. This means you are protected against Unauthorised Transactions. Mastercard's Zero Liability Protection Policy does not apply where a PIN number has been used to verify a transaction, for ATM transactions or transactions not processed by Mastercard.
- you agree not to make or attempt to make transactions that exceed the Spendable Balance;
- if you make or attempt to make any transactions that exceed the Spendable Balance then you will be liable for any Negative Balance, along with any costs or interest we incur in recovering or attempting to recover from you the amount owing;
- if a Negative Balance arises, that does not mean that a Negative Balance will be allowed to arise or be increased on subsequent occasions;
- you can use your Card within the limits specified in section 15.8 provided that you do not exceed the Spendable Balance and the expiry date for the Card has not passed;
- EML or CoinJar may restrict or stop the use of the Card if use of the Card exceeds the limits within 15.8, where EML has reasonable grounds to do under 15.19 or where other suspicious activities are noticed;
- you cannot "stop payment" on any transaction after it has been completed. If you have a problem with a purchase made with the Card, or a dispute with a merchant, you must deal directly with the

merchant involved. If you cannot resolve the dispute with the merchant, you should contact CoinJar or EML in accordance with the process set out in these Terms and Conditions.

- if you are entitled to a refund for any reason relating to a transaction, you agree to accept the refund under the policy of that specific merchant. The refund amount will be transferred back from EML to CoinJar, who will pay the refund into your CoinJar Everyday Account in Australian Dollars (and not in the digital currency initially used to fund the purchase). If the Card is expired or revoked then you will not be able to accept a refund to a Card unless a replacement Card has been issued to you;
- we are not liable in any way when an authorisation is declined for any particular transaction regardless of reason;
- the Physical Card may be used at ATM's that accept prepaid Mastercard cards. ATM transaction fees and charges may apply, including any ATM operator fees that vary by ATM operator. All ATM fees and charges will be automatically debited against the Spendable Balance. After the Spendable Balance has been exhausted or if there are insufficient funds for the payment of ATM fees and charges for a transaction in addition to the amount of a withdrawal, the ATM transaction will be declined;
- if you permit someone else to use the Card, you will be responsible for any transactions initiated by that person with the Card;
- you may not make regular, automatic payments through the use of the Card; and
- your Card may not be used for any direct or recurring debit payments or for any mail or telephone order transactions.

## 15.5. FEES AND CHARGES

You agree to pay the fees provided in these Terms and Conditions. Whenever any of these fees are incurred or become payable, you authorise us to deduct it from the Spendable Balance and reduce the Spendable Balance accordingly.

Applicable fees are as follows:

Fees and Charges to be paid by the Cardholder	
<b>Card Issue and Funds Loading</b>	
Card Issue Fee	Free
Replacement Card Fee	Free
<b>ATM Withdrawals</b>	
ATM Transactions	ATM fees as displayed on the ATM screen at the time of the relevant transaction.
<b>Account Keeping Fees</b>	
Foreign exchange fee	2.99% of the total amount of each transaction
Disputed transaction fee (per transaction)	\$27.50

All transaction fees are charged at the time of transaction and are included in the total purchase price.

When you use the Card for a transaction, the digital currency in your CoinJar Everyday Account will be redeemed into Australian Dollars at the sell price for that digital currency at the same time of your Card transaction. The CoinJar Group will separately charge you a transaction or trading fee for selling your digital currency in accordance with CoinJar’s Terms of Service available on their website.

All fees and charges in this PDS are expressed in Australian dollars and are inclusive of any applicable GST.

Certain merchants may charge an additional fee if the Card is used to purchase goods and/or services. This fee is determined and charged by the merchant and is not retained by us.

### 15.6. LOADING OF VALUE

You must ensure that there is sufficient Spendable Balance in your CoinJar Everyday Account prior to attempting any transaction. The Card can only be used to access the Spendable Balance and you cannot load any funds onto the Card; for example, you cannot transfer funds from an external bank account onto the Card.

### 15.7. FOREIGN TRANSACTIONS

Transactions made in a currency other than Australian dollars will be subject to the prevailing Mastercard exchange rate at the time plus a 2.99% foreign exchange fee. Example of Foreign Exchange Fee:

- You make a purchase from a merchant located outside Australia (e.g. USA);
- At the time, Mastercard’s prevailing exchange rate is US\$1.00 = \$0.95 Australian;
- You spend US\$200.00;
- The Australian dollar amount is US\$200.00 x \$0.95 = \$190.00;
- The foreign exchange fee is therefore 2.99% x \$190.00 = \$5.68

For a full listing of fees and charges please refer to section 15.5 Fees and Charges.

### 15.8. LIMITATIONS ON USE OF THE CARD

The following limitations apply to the Card:

- the Card may not be used for, and authorisation may be declined for any illegal transactions; and
- some retailers may choose not to accept prepaid Mastercard cards.

The following table illustrates the transaction and spendable limits applicable to only the Card, including where you use a Physical Card at an ATM. Merchants or other providers of facilities may impose additional limits.

Load/transaction	Limit
<b>Point of Sale Limits</b>	

Maximum Point of Sale transaction amount in any one transaction	\$5,000
Daily Point of Sale amount limit (including ATM Withdrawal transactions), cumulative for all transactions	\$5,000
Maximum number of transactions per day (including POS and ATM Transactions)	25
<b>ATM Withdrawal Limits – Physical Card use only</b>	
Total daily ATM Withdrawal Limit	\$1,000
Minimum ATM withdrawal amount per transaction	\$20
Maximum ATM Withdrawal Amount per transaction	\$1,000
Maximum number of ATM transactions per day	5

---

### 15.9. PIN AND PASS CODES

You can set your PIN after activating your card via the Website or App. You must not disclose your PIN to any other person.

A Pass Code may be provided to your registered Device to complete a transaction – this is often referred to as Two Factor Authentication. Where you are provided a Pass Code for Two Factor Authentication, you must not disclose that Pass Code to any other person.

---

### 15.10. PIN CHANGE

To change your PIN, visit the manage card section of the Website or App where:

- you will be prompted to enter your 16-digit Personal Account Number (PAN) along with personal details to verify your identity; and
- following verification of your identity a Pass Code will be sent to either your email address or mobile phone number as registered with the Card. The Pass Code will be required to allow you to access your PIN, or
- complete biometric authentication where your PIN change is requested via the App.

If you have any technical difficulty retrieving your PIN, please contact EML on 1300 739 889.

---

### 15.11. SECURITY

You must make sure that you keep the Card, Device, Identifiers and any PIN's or Pass Codes safe and secure. The precautions we require you to take (**Security Requirements**) are set out below. You must not:

- allow anyone else to use the Card;
- interfere with any magnetic stripe or integrated circuit on the Physical Card;
- unnecessarily disclose the PAN;
- write, or carry, the PIN with the Card or record the PIN or Device Pass Code on anything carried with the Card that is liable to loss or theft simultaneously with a Device, unless you make a reasonable attempt to protect the security of the PIN or Device Pass Code; or
- voluntarily disclose the PIN, Device Pass Code or Pass Code to anyone, including a family member or friend.
- allow someone else to register a Biometric Identifier on your Device; or
- provide any Device Pass Code to another in order to access your Device.

In order to safeguard your Card from unauthorised use, you should:

- sign your Physical Card immediately when you receive it;
- memorise your PIN and never store it with or near your Card;
- never leave your Card unattended, e.g. in your car or at work;
- if you add the Card to a Device Wallet, you should:
  - always lock your mobile device;
  - assign a Device Pass Code to unlock your mobile device;
  - not share your Device Pass Code to anyone;
  - not leave your Device unattended;
  - remove any other registered Biometric Identifier which is not your own from your Device;
  - ensure that any security details to access your mobile device or authorise a payment with your Device is not easily guessed;
- immediately report the loss, theft or unauthorised use of your Card or Device to EML on 1300 739 889;
- examine your account statement on the Website or the App to identify and report, as soon as possible, any instances of unauthorised use; and
- on the Expiry Date, destroy the Physical Card by cutting it diagonally in half.

---

## 15.12. LOSS, THEFT AND MISUSE OF CARDS

If you know or have reason to suspect that your Card or Device is lost or stolen or damaged, likely to be misused or you have reason to suspect that someone else may know the PIN, Identifiers, Device Pass Code or Pass Code, you must immediately notify CoinJar or EML. We will then suspend your Card to restrict further use.

You may be required to confirm details of the loss, theft or misuse in writing (and to provide particular information in the confirmation) and you must comply with that requirement.

If any lost Card or Device is subsequently found, it must not be used, you must not attempt to use the Card associated with that Device.

Should your Card be retained by any ATM, the Card is deemed to be lost or stolen and hence cannot be recovered. In that event, you can order a replacement Card via the Website or App. There is no fee involved to have a replacement Card issued.

---

### 15.13. LIABILITY FOR UNAUTHORISED TRANSACTIONS

Your liability for losses arising from Unauthorised Transactions will be determined under the ePayments Code.

#### **Where you are not liable**

You will not be liable for losses resulting from Unauthorised Transactions where it is clear that you have not contributed to the loss.

You will not be liable for losses resulting from Unauthorised Transactions are caused by:

- fraud or negligence by our employees or agents, a third party involved in networking arrangements, or a merchant or their employee or agent;
- a Card, Identifier or Pass Code which is forged, faulty, expired or cancelled;
- a transaction requiring the use of a Card and/or Pass Code that occurred before you have received the Card and/or Pass Code (including a reissued Card and/or Pass Code);
- a transaction being incorrectly debited more than once to your Card; or
- an Unauthorised Transaction performed after you have informed us that your Card has been misused, lost or stolen, or the security of a Pass Code has been breached.

You are not liable for loss arising from an Unauthorised Transactions that can be made using an Identifier without the Card or a PIN. Where a transaction can be made using the Card, or a Card and an Identifier (such as a Contactless Transaction using the Tokenised Card) without a PIN, you are liable only if you unreasonably delay reporting the loss or theft of a Device or the Physical Card.

#### **Where you are liable**

You are liable for loss resulting from an Unauthorised Transaction if we can prove on the balance of probability that you contributed to the loss through fraud or breaching sections 15.11 and 15.12 of these Terms and Conditions. In those circumstances you are liable in full for the actual losses that occur between when you become aware of the security compromise, theft or misuse of a Card or Device, or should reasonably have become aware in the case of a lost or stolen Physical Card, Device or breach of PIN or Pass Code security is reported to us, however:

- you are not liable for the portion of losses incurred on any one day in excess of any applicable daily transaction limit; and
- you are not liable for the portion of losses incurred in any period in excess of any applicable periodic transaction limit; and
- you are not liable for the portion of losses that exceeds that Total Balance; and
- you are not liable for the portion of losses incurred if you and we had not agreed that the Total Balance could be accessed using the Card or identifier and/or PIN used to perform the transaction.

You will be liable for losses arising from an Unauthorised Transaction that occurs because you contributed to losses by leaving a physical card in an ATM, as long as the ATM incorporates reasonable safety standards that mitigate the risk of a Card being left in the ATM.

You will be liable for losses arising from an Unauthorised Transaction if we can prove on the balance of probability that you contributed to those losses by unreasonably delaying reporting the misuse, loss or theft of a Card or Device, or that the security of all PIN or Device Pass Codes has been breached. In those circumstances, you are liable in full for the actual losses that occur between when you become aware of the security compromise, or should reasonably have become aware in the case of a lost or stolen Card, but:

- you are not liable for the portion of losses incurred on any one day in excess of any applicable daily transaction limit; and
- you are not liable for the portion of losses incurred in any period in excess of any applicable periodic transaction limit; and
- you are not liable for the portion of losses that exceeds the Spendable Balance; and
- you are not liable for the portion of losses incurred if we and you had not agreed that the Spendable Balance could be accessed using the Card or Identifier and/or PIN used to perform the transaction.

If a PIN was required to perform an Unauthorised Transaction not already covered above, you will be liable for the least of:

- \$150; or
- the Spendable Balance; or
- the actual loss at the time that the misuse, loss or theft of a Card or breach of PIN security is reported to us, excluding that portion of the losses incurred on any one day which exceeds any relevant daily or other periodic transaction limit.

If you report an Unauthorised Transaction, we will not hold you liable for losses arising from the Unauthorised Transaction for an amount greater than your liability if we exercised any rights under Mastercard Scheme Rules, at the time of the report, against other parties to the Mastercard scheme (for example, chargeback rights).

### **Important Information about Chargebacks**

A chargeback is a right under the Mastercard Scheme Rules by which a transaction can effectively be reversed by us debiting an amount to the merchant's financial institution and crediting back to your Spendable Balance. We can only process chargebacks if the Mastercard Scheme Rules allow us to.

In some circumstances, you may be able to request a chargeback of a transaction when you have a dispute with a merchant; for example:

- where goods or services you paid for using the Card were either not as described or defective;
- where goods or services you paid for using the Card were not provided;
- where there was an Unauthorised Transaction on the Card;
- the transaction amount differs to the purchase amount; or
- where you believe a transaction has been duplicated.

If you believe that you are entitled to a chargeback, you must notify us as soon as possible by contacting EML as the Mastercard Scheme Rules impose time limits for initiating chargebacks. The time limit is generally 90 days from the date of the disputed transaction.

If you request a chargeback, we may need you to provide additional information. If we do ask you for additional information and you do not provide it within 10 days, then you may lose any rights to the chargeback and if it has already been processed, we may reverse it.

Please note that if we process a chargeback, the merchant may have rights under the Mastercard Scheme Rules to have the transaction investigated further, and this can in some circumstances result in the chargeback being reversed (which means the original transaction might be reinstated by being debited to your Spendable Balance).

---

#### 15.14. TRANSACTIONS

You acknowledge that you will not receive paper statements from us regarding the operation of your Card. Periodic statements showing the transactions on your Card and the Spendable Balance will be available at all times through the Website or the App.

If you notice any error (or possible error) in any transaction or statement relating to Card, then you must notify EML immediately. We may request you to provide additional written information concerning any error (or possible error) and you must comply with that request.

It is your responsibility to regularly review your transaction history to identify Unauthorised Transactions.

---

#### 15.15. CARD EXPIRY

The Card is valid until the expiry date shown on it unless it is cancelled before then.

Your Card cannot be used after expiry. You cannot access any value loaded on the expired Card unless a replacement Card is issued to you.

We may issue you with a replacement Card if requested by you at any time after expiry and provided you have registered your details with us, including your name and Australian address. We reserve the right not to issue a replacement Card to you, in which case we will return any value that remains allocated to your expired Card to you.

---

#### 15.16. REPLACEMENT CARDS

If your Card is misused, lost or stolen, you should notify CoinJar or EML in accordance with section 15.12 so that your Card can be cancelled.

You can request CoinJar or EML to provide you with a replacement Card.

A replacement Card will be arranged after you notify us that your Card or Card details are misused, lost or stolen in accordance with section 15.12 and the misused, lost or stolen Card has been blocked. You will need to confirm your personal details, register and activate the new Card in accordance with section 15.4 and add your Tokenised Card to your Device Wallet.

---

#### 15.17. CARD REVOCATION AND CANCELLATION

You may ask for the Card to be cancelled at any time. If you ask for the Card to be cancelled and we ask you to, you must surrender or destroy the cancelled Physical Card and also remove the Tokenised Card from your Device Wallet, and you must not use the cancelled Card. When you surrender the Card, you must give us your correct name and contact address.

We may cancel your Card at any time. Where possible, we will give you 20 days advance notice of the cancellation. However, we may act without prior notice if:

- we believe that use of the Card may cause loss to you or to us; or
- we believe that it is required for security purposes, including where it used for Unauthorised Transactions or due to fraud; or
- you breach any material term or conditions of this PDS, including these Terms and Conditions; or
- we suspect the Card has been used illegally.

If we cancel your Card, we will give you notice as soon as reasonably practical afterwards.

We may revoke the Card at any time without cause or notice. If we ask you to, you must surrender or destroy the revoked Card and you must not use the revoked Card.

On the revocation or cancellation of the Card, and if applicable, we will pay the value that remains allocated to the revoked Card to the CoinJar Group when:

- we are satisfied that there are no un-cancelled or unexpired authorisations or approvals on your Card;
- we are satisfied that there are no further amounts that we will be debiting, or that we anticipate debiting, against the Spendable Balance;
- we are satisfied the funds on your Card belong to you;
- if EML require it, EML have received the surrendered or cancelled Card from you; and

- you give CoinJar instructions to pay the value that remains allocated to the revoked Card.

The CoinJar Group will pay the remaining value into your CoinJar Everyday Account in Australian dollars.

---

#### 15.18. LIABILITIES AND DISCLAIMERS

We are not liable:

- if, through no fault of our own, the Spendable Balance is not enough to cover a transaction;
- if, through no fault of our own, a terminal or system does not work properly;
- if circumstances beyond EML control prevent a transaction, despite any reasonable precautions having been taken by us;
- for any loss resulting from any failure due to events outside our reasonable control;
- for any loss resulting from any system failure or industrial dispute outside our reasonable control;
- for any industrial dispute;
- for any ATM refusing to or being unable to accept the Card;
- for the way in which any refusal to accept the Card;
- for any indirect, special or consequential losses;
- for any infringement by you of any currency laws in the country where the Card is issued or used;
- for any dispute between you and the supplier of any goods or services purchased with the Card;
- for our taking any action required by any government, federal or state law or regulation or court order; or
- for anything specifically excluded or limited elsewhere in these Conditions of Use.

However:

- your liability for Unauthorised Transactions will be determined according to the ePayments Code; and
- we will not avoid any obligation to you under the ePayments Code on the basis that another party to a shared electronic payments network (to which we are also a party) has caused the failure to meet the obligation.

Our liability in any event shall not exceed the amount of the Spendable Balance except in relation to:

- Unauthorised Transactions; and
- consequential losses arising from a malfunction of a system or equipment provided by any party to a shared electronic network (unless you should reasonably have been aware that the system or equipment was unavailable or malfunctioning, in which case our liability is limited to correcting any errors and refunding any fees or charges imposed on you).

If any warranties or conditions are implied because of Part 2 of the Australian Securities and Investments Commission Act 2001 or any similar law in respect of services supplied under these Terms and Conditions or in connection with the Card, then our liability for a breach of such a warranty or condition will in any event be limited to:

- the supplying of the services again; or

- the payment of the cost of having the services supplied again.

EML:

- does not make or give any express or implied warranty or representation in connection with the Card (including quality or standard or fitness for any purpose), other than as set out in the PDS and these Terms and Conditions or when the warranty or representation is imposed or required by law and cannot be excluded; and
- is not liable for any loss you suffer (including indirect or consequential loss) arising in connection with the Card (whether a failure to provide the Card or its loss, theft or destruction).

EML's obligation to the Cardholder in relation to the functionality of the Device Wallet is limited to securely supplying information to Pays Providers in order to allow the use of the Card within a Device Wallet. EML is not otherwise liable for the use, functionality or availability of the Device Wallet, the availability of compatible EFTPOS Devices, or a reduced level of service caused by the failure of third party communications and network providers (except to the extent that we are deemed liable under the ePayments Code).

You will need to agree to the respective Pays Provider's terms and conditions in order to use the Tokenised Card

Any failure or delay enforcing a term of these Terms and Conditions does not mean a waiver of them.

---

#### 15.19. ANTI-MONEY LAUNDERING AND COUNTER TERRORISM FINANCING OBLIGATIONS

EML is subject to the Anti-Money Laundering and Counter-Terrorism Financing Act 2006 and the rules and other subordinate instruments under the Act (AML/CTF Laws). Before the Card can be activated, EML is obliged to collect certain identification information from you (and verify that information) in compliance with the AML/CTF Laws. Customer identification information includes detailed 'know your customer' (KYC) information about the Cardholder such as:

- name, and
- address, and
- date of birth.

EML may be prohibited from offering services or entering into or conducting transactions with you if you do not provide this information.

You should be aware that:

- EML is not required to take any action or perform any obligation under or in connection with the Card if it is not satisfied as to your identity, or where there are reasonable grounds to suspect that by doing so it may breach the AML/CTF Laws;
- transactions may be delayed, blocked, frozen or refused where we have reasonable grounds to believe that they breach Australian law or sanctions (or the law or sanctions of another country). Where transactions are delayed, blocked, frozen or refused, EML is not liable for any loss you suffer (including consequential loss) howsoever caused in connection with your Card;

- EML may from time to time require additional information from you to assist us in the above compliance process; and
- where legally obliged to do so, EML will disclose the information gathered to regulatory and/or law enforcement agencies, banks, service providers or to other third parties.

You provide EML with the following undertakings and indemnify EML against any potential losses arising from any breach by you of such undertakings:

- you will not initiate, engage or effect a transaction that may be a breach of Australian law or sanctions (or the law or sanctions of any other country); and
- the underlying activity for which your Card is being provided does not breach any Australian law or sanctions (or the law or sanctions of any other country).

---

#### 15.20. PRIVACY AND INFORMATION COLLECTION

EML (in this Privacy Statement referred to as "we"), collects your Personal Information along with information regarding your Device (such as device type and model, operating systems and security information) so that we can establish and administer the Card provided to you.

Examples of Personal Information we collect include names, addresses, email addresses, and phone numbers.

When we collect personal information we will, where appropriate and where possible, explain to you why we are collecting the information and how we plan to use it.

We collect and store your personal information for the primary purpose of creating and managing your Card. As part of this process, we use this information to verify your identity so that we can comply with Anti-Money Laundering and Counter Terrorism Financing laws. We may also use your personal information to communicate with you and in circumstances where you would reasonably expect such use or disclosure.

We will only use your Personal Information to:

- to ensure that the Card properly functions with your Device
- to assist in arrangements with other organisations in relation to the provision of a product or service;
- to perform administrative and operational tasks (including systems development and testing);
- to prevent or investigate any fraud or crime (or a suspected fraud or crime);
- satisfy identification requirements under the *Anti-Money Laundering & Counter-Terrorism Financing Act 2006* (Cth) and the Rules and other subordinate instruments under that Act and such information may be exchanged with verification agencies (which may be overseas).

We may also exchange information with Pays Providers:

- to enable the use of the Card with the Device Wallet and to improve and promote the Pays Providers generally; and
- to detect and address suspected security breaches or fraud.

Without your information, we cannot make the Card available to you and you should not apply for the product.

If you provide us with Personal Information about someone else, you should ensure that you are authorised to do so and agree to inform that person of the contents of this notice.

Information will be disclosed to third parties about the Card, or transactions made with the Card, whenever allowed by law and when necessary:

- for completing a transaction; or
- in order to verify the existence and condition of a Card; or
- to utilise services of affiliates who assist in providing a Card; or
- if you give us permission; or
- if you owe us money; or
- if there are legal proceedings or a complaint in connection with the Card; or
- to protect against potential fraud and other crimes.

We will not disclose your personal information outside Australia.

By applying for and using the Card, you consent to us collecting, using and disclosing your Personal Information under these terms and conditions in the manner described above.

Our Privacy Policies sets out how you can access and correct information we hold about you, how you can complain about a breach by us of your privacy rights and how your complaint will be handled. Our Privacy Policies are available at:

## 15.21. COMMUNICATIONS

You agree that we may give written notices or other communications to you under or in connection with these Terms and Conditions (including information under the ePayments Code such as statements) by either:

- sending the notice, information or communication using electronic communication; or
- using electronic communication to notify you that the notice, information or communication is available from an electronic address (such as the Website or the App)

You may vary your nominated email address for Electronic Communication by notifying us through the Website or the App and satisfying us of your identity.

In addition, we may give you notices, information or other communications to you relating to the Card (including information under the ePayments Code such as statements):

- by Electronic Communication to your email address last known to us or which you last gave us for sending notices and communications to you; or
- if the notice or communication is not personal to you – by publishing a notice to the Website or the App.

If we give a notice, information or other communication to you electronically, you are taken to have received it on the day it is transmitted.

You agree that, for the purpose of Electronic Communications received by us or through the Website, we:

- may verify your identity by reference to any or all of the information given by you when applying for the Card or during the Card activation or any changes made to this information; and
- may proceed on the basis that we are satisfied by that verification.

---

#### 15.22. KEEPING YOUR CONTACT DETAILS UP TO DATE

You must notify us immediately of any change to your address and other contract details by updating your details through the Website or App. We will not be responsible if you do not receive any notice or correspondence that has been sent in accordance with the contact details you have provided.

We accept no responsibility or liability for late, lost or misdirected SMS messages or emails caused by inaccurate provision of personal details by you, or by system constraints or failures experienced by your email or mobile phone service providers.

---

#### 15.23. CHANGES TO THESE TERMS AND CONDITIONS

We may change these Terms and Conditions and any information in this PDS relating to the Terms and Conditions (including fees and charges and load and transaction limits) at any time without your consent for one or more of the following reasons:

- to comply with any change or anticipated change in any relevant law, code of practice, guidance or general banking practice; or
- to reflect any decision of a court, ombudsman or regulator;

- to reflect a change in our systems or procedures, for security reasons; or
- as a result of changed circumstances (including by adding benefits or new features); or
- to respond proportionality to changes in the cost of providing the Card; or
- to make them clearer.

Where a change to this PDS involves an increase to our fees and charges, the introduction of a new fee or charge or is otherwise materially adverse, we will give you notice at least 30 days before the change takes effect. We will notify you of these changes by sending an individual notice to you (either by giving it to you personally or by email).

Where changes to these Terms and Conditions are not materially adverse, we will notify you at least 20 days before any changes to these Terms and Conditions take effect and we may update the information by making information about the change available on the Website. You can obtain a paper copy of this information on request free of charge.

However, changes necessitated by an immediate need to restore or maintain the security of the system in which the Card is used can be made subject to the law and the ePayments Code without prior notice.

---

#### 15.24. THE WEBSITE

Although considerable effort is expended to make the Website and any other operating communication channels available at all times, no warranty is given that these channels will be available and error free every minute of every day.

You agree that we are not responsible for temporary interruptions in service due to failure beyond our control including, but not limited to, the failure of interconnecting operating systems, computer viruses, and forces of nature, labour disputes and armed conflicts.

---

#### 15.25. GOVERNING LAW

Any legal questions concerning these Terms and Conditions, the agreement between you and us (which is governed by these Terms and Conditions) or the Card will be decided under the laws of Queensland, Australia.

Any legal proceedings concerning these Terms and Conditions, the agreement between you and EML (which is governed by these Terms and Conditions) or the Card may be conducted in the courts at Brisbane, Queensland, Australia.
